What Is Juneteenth?

Juneteenth, also known as Juneteenth Independence Day or Freedom Day, is an American holiday that commemorates the June 19, 1865, announcement of the abolition of slavery in the U.S. state of Texas, and more generally the emancipation of enslaved African-Americans throughout the former Confederacy of the southern United States. Juneteenth is recognized as a state holiday or special day of observance in forty-five states.

Celebrations will be taken place across the country. We want to make a memorable event for everyone to enjoy.

Please designate at least one member of your church congregation or organization to attend and establish a bridge for communication of the event.
